Encountering Christ Our Hope

Pope Francis gave us a clear vision for the Jubilee Year of Hope (December 24, 2024-January 6, 2026): "For everyone, may the Jubilee be a moment of gratitude, personal encounter with the Lord Jesus, the 'door' of

our salvation, whom the Church is charged to proclaim always, everywhere and to all as 'our hope.'"

(diocs.org)

Reasons for Hope Today

The Year of Hope is a providential moment to read again the documents of Vatican II and receive from them the vision and blueprint for the New Evangelization and the call to missionary discipleship. The New Evangelization and its mission and implementation cannot be known apart from the missionary renewal brought about by Vatican II. St. John Paul II reminds us of the importance of the Council for our time: "With the passing of the years, the Council documents have lost nothing of their value or brilliance. They need to be read correctly, to be widely known and taken to heart as important and normative texts of the Magisterium, within the Church's Tradition...I feel more than ever in duty bound to point to the Council as the great grace bestowed on the Church in the twentieth century: there we find a sure compass by which to take our bearings in the century now beginning."

I encourage all the faithful of the diocese, through prayerful reading and study to rediscover the beautiful and inspiring teachings of Vatican II through which the Holy Spirit has brought about a new and fresh outpouring of the spirit of Pentecost for a New Evangelization. May our diocese be an answer and a witness to the prayer of Pope Benedict XVI: "Let us implore from God the grace of a new Pentecost for the Church in America. May tongues of fire, combining burning love of God and neighbor with zeal for the spread of the Christ's Kingdom, descend on all present!"

Five Tips On How To Receive The Eucharist

By: Leslie Rodriguez, CatholicLink.org

(continued from previous bulletin)

5. Make a prayer of thanksgiving after Mass.

Let's return to the fancy dinner scenario (remember the bishops and diplomats). Once you have finished eating, would you get up and walk out of the room? No. Especially if other people were still eating dinner and there was more to come. After we receive Communion, we are the most united with Jesus we can be on this side of Heaven.

This is our chance to open our hearts to Him without reserve. To pour out our love, and ask for whatever grace we need. By staying a few minutes after Mass we are telling Jesus that He is important to us, that our relationship with Him matters and warrants our love and attention.

So, back to the opening question: Receive Jesus on your tongue or in your hands? Both are allowed by the United States Conference of Catholic Bishops.

When receiving in your hand, St. Cyril of Jerusalem offers some further instruction: "When you approach, take care not to do so with your hand stretched out and your fingers open or apart, but rather place your left hand as a throne beneath your right, as befits one who is about to receive the King. Then receive Him, taking care that nothing is lost."

WELCOME NEW PARISHIONERS

Those Catholics living in the area and regularly participating in the Liturgy are asked to register as members of the parish. Simply attending Mass does not make one a registered member. We would like to be able to communicate with you and you will learn about parish events or special notifications by email.

Registration is easy:

Contact the Parish Office—303-838-2375. Or registration forms can be found in the main vestibule of the church. Just fill it out and drop it into the offertory basket.
